

About Tenfly

A Leading Manufacturer of Smart Display & Computing Devices

Chongqing Tenfly Drawell Electronics Co., Ltd., is a nationally recognized high-tech enterprise specializing in the R&D, manufacturing, and sales of smart displays and computing solutions with over 30 years of industry experience.

Our core product lines include LCD monitors, all-in-one PCs, laptops, mini PCs, and smart interactive displays, widely applied in education, business, and government sectors.

With strong R&D capabilities, advanced manufacturing, and full-service OEM/ODM support, Tenfly helps partners worldwide build reliable, customized technology products that drive digital transformation.
