## Overview

---

Its expansive 27" screen combined with powerful processing capabilities and dual-storage expansion makes the AIOST2701A the perfect choice for multitasking, content creation, and digital signage. Whether used in corporate offices, educational environments, or creative studios, this all-in-one solution delivers optimal productivity, smooth performance, and reliability for demanding workflows.

---

## Features and Benefits

### ■ Anti-Flicker With Eye-Care Technology

Tenfly's Anti-Flicker technology minimizes screen flicker, reducing eye strain during extended use, helping to enhance comfort and productivity whether at home or in the office.

### ■ Work From Office with IPS Grade Panel

The AIOST2701A boasts an IPS panel, delivering vibrant colors and consistent brightness for an exceptional visual experience, perfect for both professional tasks and home-based learning.

### ■ Mount With TENFLY VESA Arm

Tenfly AIOST2701A supports VESA mounting standards for easy cable management, keeping your workspace clean and organized. Perfect for sharing content or e-learning at home or in the office.
